

## NATURAL WEED KILLERS

Do not use Roundup. An ingredient in it has been shown to cause cancer in humans and many cities and countries are banning its use. Check with your local garden center for natural weed killer alternatives or try our Natural Weed Killer recipe.

### Natural Weed Killer Recipe

Combine the following ingredients in a spray bottle and treat weeds during the sunniest part of the day.

1-gallon white vinegar  
1-tablespoon liquid dish soap  
1-cup salt

For tough weeds reapply in a day or so and sprinkle with baking soda.
